Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Saturday 04 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Northerly winds carrying showers, some brighter weather in the east.

Today:
A cloudy start over Highland, otherwise some bright or sunny intervals in the east especially around Inverness and Easter Ross. Occasional showers for the north and west and the Hebrides. Snow on hills. Maximum temperature 6 deg C (43 deg F).

Tonight:
Remaining showery for the north and west in the evening with clearer conditions in the east. Showers dying out later in the night and a frost for inland areas expected. Minimum temperature 0 deg C (32 deg F).

Sunday:
A dry and sunny day with light winds on Sunday, some cloud spilling into the west later, with rain or snow expected by late evening. Maximum temperature 5 deg C (41 deg F).

Outlook for Monday to Wednesday:
Rain and snow on Monday morning will clear east, some brighter spells later. A fine start on Tuesday but strengthening winds before further rain. Easterly gales and showers likely Wednesday.
